Hi Gary,

The Remedial Alternatives Memorandum is now on the RI/FS site. I also added Vol 1 and Vol 2 to the Human Health Assessment PDFs.

Jessica,

Please add this doc (SEMS #685618; "Remedial Alternatives Memorandum – San Jacinto River Waste Pits Superfund Site") to the San Jacinto web site; please add it to this page:
http://www.epa.gov/region6/6sf/texas/san_jacinto/ri_fs.html

Please add under the "RI/FS Reports" heading after the "Baseline Ecological Risk Assessment Appendices";

And an edit: add Vol 1 & Vol 2 to the titles for the Human Health Risk Assessment.

Thanks,
